THE BIGGER PICTURE

Today, over 80 million people have been forcibly displaced worldwide. Most of whom cannot return home. After months or years of fleeing violence, war, famine and extreme poverty, their greatest hope is to once again belong—to find a place to rebuild their homes and lives.

World Relief partners with local churches and community-based organizations across the United States to provide support for thousands of immigrants and refugees who are seeking a place to call home.

World Relief Western Washington envisions every refugee and immigrant welcomed by community, rooted in community, and empowered for community. We work toward this vision through a range of services. Visit worldrelief.org/western-wa to learn more.

WE BELONG GALA

Each fall we gather together with our community to celebrate the work we are doing together and to raise funds for the ongoing work of welcoming, resettling, and empowering refugees and other immigrants.

Join us on Friday, November 11th 2022 for an evening to reconnect featuring cocktail hour, From Home to Home exhibit, silent and live auctions, dinner, and stories of empowerment.
