## The Family Tree Voucher Program

Family Tree runs a FREE voucher program for the local community partnering with schools and charities.

### How it Works...

Donate your gently used items or shop at Family Tree to earn vouchers for families in need.

Donations can be anything except for food and furniture. Families in need working with World Relief Chicagoland will use the vouchers to shop for FREE at Family Tree to access clothing and home good needs.

1

#### DROP OR SHOP

When you shop or donate items, simply mention World Relief to earn voucher credits.

2

#### TALLY

Family Tree records each mention. The more activity, the more vouchers earned.

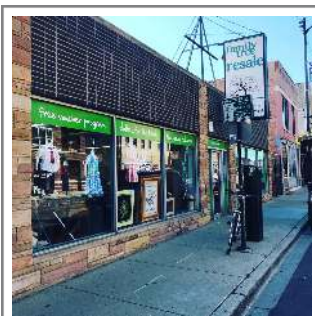

3

#### VOUCHERS SENT

Each quarter, Family Tree mails a batch of vouchers to social workers for distribution.
