Hours of Operation

Monday-Friday: 9am-7pm

Saturday: 9am-6pm

CLOSED SUNDAYS

A 30-45 minute time limit is suggested to help guide and move things along.

The Mission of HOP

"HOP Shop Thrift exists to be a God honoring and God glorifying thrift shop to financially assist the House of Prayer in its mission to see men delivered from the strongholds of addictions, develop believers, and grow as spiritual beings."

Relationship with World Relief

HOP Thrift Shop kindly provides free clothes to each refugee client upon their arrival into the United States.

Before Arrival at HOP

- *Contact World Relief to set up a time.* World Relief staff will fill out the necessary form and call HOP to let them know when you will be coming.
- *Go to World Relief to pick up the signed form.*

While at HOP:

- Out of respect for the store, please have no more than 5 refugees in HOP at a time. For larger families, go in shifts or schedule more than one visit.
- Once inside, inform the employee at the register that you are clients from World Relief and present the form given to you by World Relief.
- If you haven't already, write each client's name and case number on their own separate form.
- Do not block aisles or make a mess. Remember to be friendly and courteous to workers and other shoppers.
- Each client can receive \$40 worth of clothes (children included). They can get **pants, shirts, socks, shoes, coats, belts, gloves, and hats.** They **may not** get purses, jewelry, bags, toys, or bed sheets. Please consider weather appropriate clothing and work clothes.
- Suggest to clients to buy four pants, four shirts, and a pair of shoes. This will mean four outfits. If there is money leftover, they may spend it on extra of those items. Some clients will opt to not spend all they are given.
- After you are through, write down the price of each item on the allotted space on their form and circle the total at the bottom.
- Take items to front counter to bag and give to clients.
