

FRIENDSHIP CENTER (FC) ASSISTANT

Friendship Center Assistants support our Community Ambassador team in the dynamic community center where refugees and other immigrants convene for support services. Refugees and other immigrants come to The Friendship Center for assistance with applications ranging from Housing Stabilization to other social service programs, to participating in special events which include baby showers, women's teas, children's outings and more. A FC Assistant will be flexible, understanding that the services provided and the volume of newcomer visits to the FC can vary from week to week and month to month, therefore requiring a heart of service in whatever needs arise, including cleaning spaces and organization of donations.
