

Welcome!

Greetings to you!

Thank you so much for your interest in learning more about World Relief Western NY. Our Church & Community Engagement Team is happy to serve you!

With over 100 million people displaced in the world today, now is an opportune time to learn more about our new neighbors arriving in Western NY from across the world. We want to help your church find ways to serve them.

In fact, over 40 churches across Western NY are in this work together. Your involvement can be one time, on a project basis, or in a long term, relational role.

Please take time to look and pray through these materials to familiarize yourself, and your church, with the breadth and scope of our work. If you would like to set up a time to meet, or have someone from our team come to your church, we are glad to connect.

I pray God will open doors for us to partner together as we help our new neighbors thrive in our communities.

Yours in Christ,
