

# Travel Loan

- Your travel loan is your first credit in the United States, so it is important that you pay it on time so that you have good credit.
- You will receive your first travel loan bill from World Relief after 5 months.
- If you are having difficulty paying your travel loan, talk to your case worker.
- If you do not pay the loan, your credit will be negatively impacted, and you will have problems buying a car or renting a house in the future.
- If you have any questions about your travel loan, call World Relief in Baltimore (the main office in Maryland) at 1-800-903-1924 or 1-800-901-1908 or 800-901-1951. Interpretation is available.
