

TRAVEL WITH WORLD RELIEF

VISION & ADD-ON TRIPS

*God is on the move, all around the world, and we are moving with him!
We invite you to travel with us as we see the transformative way churches
are being empowered to serve the most vulnerable in their communities,
and explore how God might be leading you to engage with him through
World Relief in his movement!*

We hope you consider joining us on a Vision or Add-on Trip!

Vision Trips are carefully crafted experiences designed to expose you to the ways that God is moving in and through local churches empowered by World Relief. Our hope and prayer is that through your experience you are able to explore where God is calling you to engage as you consider partnering, or be encouraged by the impact of your existing partnership.
