

Millions of families have been forced to flee their homes.

Critical funding for refugees in the U.S. has been cut and funding for vulnerable families in other countries is at risk, making their heartbreaking circumstances even more dire.

Without sustaining partners like you, life-saving programs providing food, shelter and medical care could disappear.

This is why **The Path**, World Relief's monthly giving community, exists.

By joining The Path as a monthly partner, you help us:

RESPOND — Deliver emergency aid — food, water, shelter and more — to families in disaster zones.

STRENGTHEN — Equip communities with tools to withstand climate, economic and conflict pressures that force them to flee their homes.

REBUILD — Help displaced families rebuild and integrate into new communities right here in the U.S.

When disasters strike or policies shift, our monthly partners equip World Relief with flexible funding to respond immediately to crises and provide ongoing care where it's needed most.

As trusted partners in this work, you will be:

- **INFORMED** — Receive engaging reports showing the impact of your partnership.
- **CONNECTED** — Engage with virtual events and inspiring updates from the field.
- **INSPIRED** — Hear stories of hope and resilience from those rebuilding their lives.

Will you walk alongside families in crisis?

Together, we have the privilege of being the hands and feet of Jesus, serving families at their greatest point of need. Join The Path today and provide steady, life-saving support.
