

THE BIGGER PICTURE

Today, over 122 million people have been forcibly displaced worldwide. Most of whom cannot return home. After months or years of fleeing violence, war, famine and extreme poverty, their greatest hope is to once again belong—to find a place to rebuild their homes and lives.

World Relief partners with local churches and community-based organizations across the United States to provide support for thousands of immigrants and refugees who are seeking a place to call home.

World Relief Western Washington envisions every refugee and immigrant welcomed by community, rooted in community, and empowered for community. We work toward this vision through a range of services. Visit worldrelief.org/western-wa to learn more.

ACROSS WESTERN WASHINGTON

Our office in King County was established in 1979 in response to the needs of refugees fleeing wars in Southeast Asia. We grew to be a sustainable and holistic center of compassion and practical support to refugees, asylees, asylum seekers, and immigrants from all around the world. Increased worldwide displacement compelled us to open an office in Whatcom County in 2022 and in Thurston County in 2023. Services in each location vary, and as our capacity grows, we eagerly look forward to offering more services throughout each county.

WORLD RELIEF CUP 2025

Each year World Refugee Day, is an opportunity to celebrate the resiliency and contributions of the refugees throughout our community as well as draw attention to the growing crisis of forced displacement worldwide. In 2025, World Relief Western Washington will be hosting our second World Relief Cup, a soccer tournament, inviting members from throughout the community for a time of soccer, celebration, and raising support for World Relief Western Washington programs.

OUR SERVICES

REFUGEE RESETTLEMENT

Our team works with individuals and families from the time they arrive in the U.S. to secure stable housing, get a social security card, enroll their children in school, get oriented to American culture, and so much more.

IMMIGRATION LEGAL SERVICES

From asylum, to green card application, to navigating the pathway to citizenship, to family reunification cases, our teams work with people to identify secure legal avenues for the safety and flourishing of their families

RESILIENCY SERVICES

Resiliency services focus on hand-on learning that empowers refugees and immigrants for community, trauma healing, and economic growth. We offer a community garden, sewing classes, and a commercial teaching kitchen.

EXTENDED CASE MANAGEMENT

For individuals and families who need further assistance following their initial resettlement, we provide ongoing support in areas of financial literacy, accessing community resources, navigating healthcare, and more.

EMPLOYMENT SERVICES

From employment connections, to interview prep, job training, and establishing career pathways, our team helps individuals to identify and secure good jobs to support their families and work towards career goals.

ENGLISH CLASSES

One of the biggest challenges newcomers is the language barrier. Our team offers free in person and online English language classes for adults at all levels to better communicate in their daily lives and communities.

YOUTH & FAMILY SERVICES

Refugee and immigrant kids face unique challenges adjusting to school and establishing a sense of community. Youth and Family Services offers early childhood and after school programs, summer camps and home visits to support families in these transitions.

DETENTION CENTER MINISTRY

For many, the I.C.E. Detention Center in Tacoma is a traumatizing and isolating experience. We offer worship services and resources for those inside and help coordinate travel and lodging for released detainees.
